Submission of Papers

We welcome **original research papers** that present novel research ideas, **position papers** that discuss new technology trends and provide new insights into this area, **integrative papers** that present interdisciplinary research in the privacy area, as well as **industry papers** that share practical experiences.

Submitted papers must be unpublished and not exceed 10 pages following ACM guidelines (<http://www.acm.org/sigs/publications/proceedings-templates>). Papers may be accepted for full presentation at the workshop and publication as regular papers (10 pages), or for a short/poster presentation and publication as short papers (5 pages).

Authors shall submit their papers electronically via Conference Management System (CMT) (<http://www.easychair.org/conferences/?conf=pais2013>) before the due date in PDF format. All accepted papers will be published in the online workshop proceedings. The proceedings of all EDBT workshops will also be published in ACM Digital Library.

Following the PAIS 2013 workshop, the authors of selected workshop papers will be invited to submit extended versions of their papers for publication in the Transactions on Data Privacy Journal (<http://www.tdp.cat/>).

Travel Grants

The UNESCO Chair in Data Privacy is offering travel support to participants coming from "transition countries", which are nations other such as USA, Canada, Western Europe, New Zealand, Australia, Japan, South Korea, etc. Each travel grant will be up to 600 Euro. For application details please consult the PAIS website (<http://www.mathcs.emory.edu/pais13/>).
