High Point University invites applications for a tenure-track position (with the possibility of multiple positions) in mathematics beginning August 2008. For this position, the area of expertise is open. The teaching load is 12 hours per semester, consisting of general education, introductory, and advanced courses. A doctorate is required and someone with teaching experience is preferred. The application should include an AMS cover sheet, vita, statement of teaching philosophy, three letters of recommendation, and a copy of all graduate transcripts. Applicants are also asked to indicate if they will be attending the Joint Mathematics Meetings in San Diego. Applications received by December 1 will receive full consideration. Send applications to:
