Course Policies

Grades:
There will be 2 tests, 5-6 quizzes, 3-4 projects, and a final exam. The final grade will be determined as:

15% Quizzes  25% Homework  30% Tests  30% Final

Tests:
There will be 2 tests on the following dates:

Tue., March 5  Thu., April 11

The final exam will be given during the scheduled final exam period, Tue. May 7, 8:30–11:00 am.

Make-up policy:
Make-up quizzes or tests will be given only in extreme cases.

Homework:
Students are expected to do all computing assignments using Matlab. Projects will be done in teams to be determined later in the semester. Collaboration is allowed (in fact, expected) within each team, but exchange of information between members of different teams is strictly forbidden.

Late Homework:
All homework must be turned in at the beginning of class on the due date. The penalty for turning in late homework will be as follows:

- Homework turned in late, but before 4:00 pm on the due date, will receive a 20% deduction.
- Homework turned in after 4:00 pm on the due date, but before the beginning of the next class period, will receive a 50% deduction.
- Homework turned in later than the class period following the due date will not be accepted.

Exceptions to this policy will be granted only in extreme situations.

Honor Code:
All students must adhere to the provisions of the Emory College Honor Code.

Other: Please no open laptops during class!
