Course Policies

Grades:
There will be a midterm exam, a final exam, and daily quizzes. The final grade is determined as follows:

30% Midterm Exam, 30% Final Exam, 40% Quizzes

Quizzes:
There will be daily quizzes. The three lowest quiz scores will be dropped.

Midterm Exam:
The Midterm Exam will be given on Thursday, March 8.

Final Exam:
The Final Exam is cumulative, and will be given on Thursday, May 3, 8:30am-11:00am.

Calculators:
You will not be allowed to use electronic assistance (e.g., computer, calculator, phone, PDA, etc.) on any quiz or exam.

Homework:
No homework will be collected in this class. Instead, I will provide a list of suggested problems for each section we cover. I strongly encourage you to do all of these problems. You may work together on the problems.

Make-up Tests and Quizzes:
Make-up tests will be given only in extreme cases. There will be no make-up quizzes. If you miss one, then it is one of the three that you drop.

Class Attendance:
Attendance is strongly encouraged. If you miss a class, then you should get a copy of the notes from one of your classmates. If you come to class, then I expect you will stay until the end, and not leave in the middle of a lecture. If it is necessary to leave early, then I expect an explanation. Breaks should not be needed to go to the bathroom, or to answer your cell phone. If such a break is needed, I expect an explanation.

Honor Code:
All students must adhere to the provisions of the Honor Code. For more information, see: www.college.emory.edu/current/standards/honor_code.html
