

**Faculty Position at Emory University**  
**Department of Mathematics & Computer Science**

The Department of Mathematics and Computer Science at Emory University, Atlanta GA invites applications for a tenure-track faculty position at the rank of Assistant Professor. We are seeking candidates in the field of analytic number theory, whose research will complement existing departmental research interests in number theory, algebra, and analysis. Truly exceptional senior candidates may also be considered, subject to approval. Applicants must have earned a Ph.D. and demonstrated exceptional research ability. They should also have strong records or promise as undergraduate and graduate teachers and advisors.

Applications consisting of a cover letter, CV, research and teaching statements, and three to five letters of recommendation should be submitted via Mathjobs.org. Informal inquiries can be sent to the hiring committee at [ntsearch2015@mathcs.emory.edu](mailto:ntsearch2015@mathcs.emory.edu). Screening of candidates will begin on November 15, 2014, and will continue until the position is filled. Applications received up to 30 days after review begins will be given full consideration. For additional information on the department and the university, please see <http://www.mathcs.emory.edu/>.

*Emory University is an Equal Opportunity/Affirmative Action/Disability/Veteran employer. Women, minorities, persons with disabilities, and veterans are encouraged to apply.*
